Dear Mr. MacElroy:

Following a detailed review, the State Review Board has recommended to the Commissioner of Parks, Recreation and Historic Preservation, who is the New York State Historic Preservation Officer (SHPO), that the property identified above be listed on the New York State Register of Historic Places and nominated to the National Register of Historic Places.

After reviewing the nomination, the SHPO has agreed with the recommendation of the State Review Board and has listed the property on the State Register of Historic Places. We shall now forward the nomination to the Keeper of the National Register in Washington, D. C.

If the Keeper of the National Register approves the nomination, the property will be listed on the National Register. You will be notified when this decision is made.

Information about the results of State and National Register listing were included in our earlier notification letter. If you have any further questions, please contact your field representative Kath LaFrank, at the *Division for Historic Preservation*, (518) 268-2165.

Sincerely,

R. Daniel Mackay
